June, 2010

The Great Lakes Entrepreneur’s Quest has awarded Richard Bruder of Enterprise Law Partners, PLLC, GLEQ’s Coach of the Year at its June 2010 award ceremony!

The Great Lakes Entrepreneur’s Quest, now in its tenth year of continuous operations, connects entrepreneurs with the key resources that support them in Michigan. GLEQ’s statewide business plan competition connects hundreds of entrepreneurs with several hundred coaches.

According to entrepreneur Brian Hewitt, President, Channel1USA.com, getting Richard as his coach “was by far the best thing that ever happened to Channel1USA. Richard’s thirty years of experience as a lawyer and a business person is demonstrated by his suggestions, attention to detail, and bottom line approach. But his positive and enthusiastic attitude -- grounded in his mission to help entrepreneurs change the world -- is what really makes him stand out.”
